Hi Jim,

I work with the bike program at LADOT and process the bike rack requests. I'm really sorry about the delay in the bike rack marking and installation. I will be coming down next week to mark the rack and it should be installed by early June at the very latest.

Have a great week!

Best,

Hello,

Thank you for your patience as we move to install the 2 bicycle racks for Hollywood Media District BID @Golds Gym, located at 1016 Cole Ave. Hollywood CA 90038.

We have completed our web-check of the area to ensure compliance with our installation standards. The next step will be to go out to the location and mark the bicycle racks for installation. We hope to mark the racks by the end of this week.

Best,

Hi Lisa,

Not sure if the bike racks have been installed yet, but I wanted to check in. By any chance have you heard from the city yet?

Thanks,

Nuria Martinez

Hi Lisa,

Just following up on this. Have you heard anything after the confirmation? I saw the response from Michelle Mowery suggesting to contact Nat Gale, any luck with that?

Any updates, please let me know.

Thanks,

Nuria Martinez
